ABOUT MACROPUS

Macropus Global was established in January 2009 with a vision to provide unique and effective immigration and visa services to the aspiring individuals across the world who wish to make Canada their home. In the past ten years, we have been serving businesses ranging from small to large, individuals to corporates across Canada and worldwide.

Our headquarter is located in Victoria, BC, with branches in Dartmouth, NS; Calgary, AB; Dubai, UAE; Hyderabad, India; and have affiliated Liaison Offices in the USA, India, Middle East, Nigeria, Brazil, South Africa, China, Philippines and Sri Lanka.

Currently, we are also negotiating with other organizations across the globe where we do not currently have coverage and services.

Macropus Global further expanded its services to international student advisory, advance IT training, consulting, staffing, and placement services to help new immigrants integrate into the mainstream Canadian workforce. Having all of these services under one umbrella gives us a competitive edge compared to any other immigration organization in the world. As a consulting, IT training, immigration & international students advisory services firm, Macropus Global aim to meet the ever-growing demand for skilled individuals, international students and business investors in Canada.

Our name Macropus self-portrays the strength and quality of services we provide to our clients. Macropus derives its name from Marsupial, a specie of Kangaroo. Kangaroos run fast even while carrying their babies in their pouch, safe and sound. Similarly, Macropus provides quality and efficient services to its clients considering clients' needs first.

By and large, we are strategically positioned to work closely with our clients to fully understand their business and development needs in Canada and across globe.

OUR VISION

To become a trusted global Immigration & Visa service provider to meet the ever-growing demand for skilled individuals, international students and business investments in Canada

MISSION STATEMENT

Our mission is to simplify the process of immigration of our clients by means of necessary tools, knowledge, and experience that only we can guarantee.

COMPANY PHILOSOPHY

*The customer is the most important visitor on our premises.
He is not dependent on us. We are dependent on him.*

*He is not an interruption in our work. He is the purpose of it.
He is not an outsider in our business. He is a part of it.*

*We are not doing him a favor by serving him.
He is doing us a favor by giving us an opportunity to do so.*

OUR CLIENTS BENEFIT FROM

- **Free eligibility assessment:**

Prior to you signing up for our services, we do a free assessment of your qualifications and eligibility to determine your immigration category and advise you on the best option to immigrate to Canada. If you qualify under more than one immigration category will explain the pros and cons of each category and recommend the category best suited for your case.

- **Immigration Application facilitation**

Once we have determined the immigration category you qualify for and you have retained the immigration agreement to assist you with the application process, we will prepare, review and submit your application. We take pride in preparing applications professionally, by being very detailed in including all of the information and documents needed to satisfy the Visa Officer reviewing your application.

- **Application tracking**

Post submission to IRCC, we will track your application throughout the process and will send you immediate notification of all developments taking place with your application and will update IRCC with the documents requested and any changes in your situation, thus avoiding unnecessary delays in processing your application.

- **Personal Interview preparation**

In the event of you being requested to attend an in-person interview with the Canadian Visa Office, we will obtain the written notes concerning your application from Visa Office and will advise you on how to respond to the issues that will be raised during the interview.
